This international bidding notice was announced under the General Procurement notice advertised for this project published on the Inter-American Development Bank website on **Augustus 22, 2025**.

The Republic of Suriname has received financing from the Inter-American Development Bank (IDB), and it intends to apply part of the proceeds to payments under the project *Design, Supply and Installation Services of Plant for Solar PV-BESS mini-grids and water infrastructure for the Bio-Sweet Program (including construction of distribution grid)*.

The *N.V. Energiebedrijven* Suriname now invites submission from applicants to prequalify for the Procurement for Design, Supply and Installation Services of Plant for Solar PV-BESS mini-grids and water infrastructure for the Bio-Sweet Program (including construction of distribution grids). Prequalification requirements are set forth in the Prequalification Document. The duration of the works is estimated at a period of 30 months for Lot 1 and 24 months for Lot 2.

Bidding will be conducted through international competitive bidding procedures as specified in the Inter-American Development Bank's *Policies for Procurement of Works and Goods financed by the Inter-American Development Bank (GN-2349-15)*, and is open to all eligible bidders as defined in the policies.

Applicants may obtain further information from *N.V. Energiebedrijven* and request an electronic copy of the prequalification document. A complete set of prequalification documentation in English will be shared on the submission of a written application to idb.projects@ebs.sr.

All submissions must be e-mailed to the e-mail address below by **12:00 PM (GMT 15:00) Friday 24th of April 2026**. Submissions will be opened after 12:15 PM (GMT 15:15) in the presence of applicants' representatives, who choose to attend the online opening of the submissions. A Bid Security or Bid Securing Declaration is not applicable at this stage.
